Brütsch·Rüegger Tools

Benzine container with lid

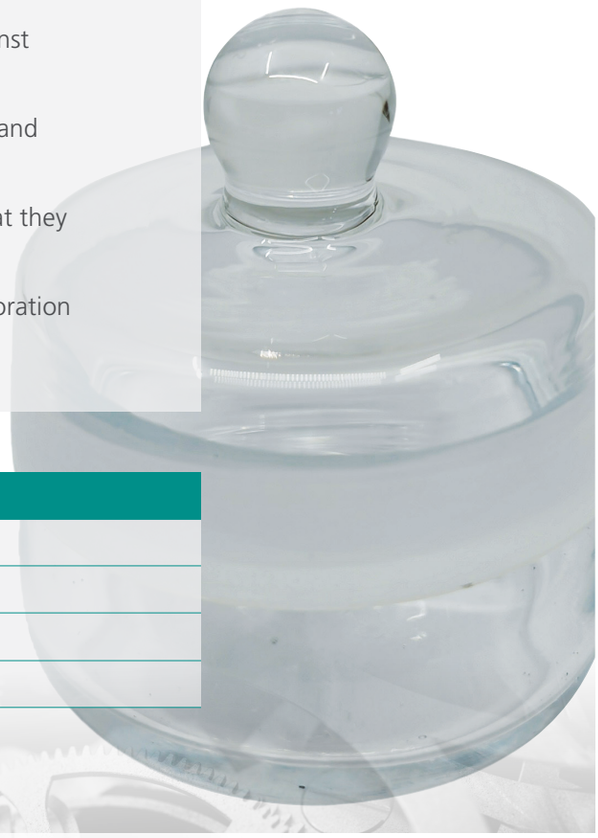

762241.0100 | 762241.0200 | 762241.0300

Tools. Next Level.

A*F benzine containers exhibit impressively high-quality glass workmanship, optimal transparency and excellent chemical resistance.

The benefits

- **Durability:** Made from borosilicate glass to offer excellent resistance against aggressive chemicals — remains unchanged
- **Safety:** These benzine containers are specially designed to prevent waste and contamination of the solvent
- **Quality:** The transparent glass has the added benefit for watchmakers that they can easily check the fill level and purity of the solvent
- **Sealed:** With perfectly fitting and hermetic lid designed to minimise evaporation of solvents

Technical data	
Diameter	60 to 100 mm
Height	60 to 85 mm
Material	Glass
Lid	With button handle
